DETAILED ACTION

1. This Office action is responsive to amendment filed on 07/29/2004.

2. **Reasons for allowance:**

Claims 1-26 are allowable because the instant application is directed to a nonobvious improvement over the invention described in Patent No.: US 5,510,748 (Erhart et al). The improvement comprises: the DA converter operates one of said first DA converter and said second DA converter according to the instruction from the control unit, and outputs the converted analog image signal from said one of said first and second DA converters to said display unit independently of the other of the first and the second DA converter as claim 1; the first DA converter and the second DA converter each convert the input signal into an analog image signal with different numbers of bits, respectively as claim 12; and the first DA converter and the second DA converter each convert the input signal into an analog image signal with different frame frequencies, respectively as claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Jennifer T. Nguyen** whose telephone number is **703-305-3225**.
